Description

Add bold architectural character to your space with this early 20th century French oak Gothic style chair, a striking piece inspired by medieval design. Crafted from solid oak, it features richly carved details, including a high back with ornate motifs and a sculptural base that reflects traditional Gothic influences. The deeply aged patina enhances the texture and depth of the wood, highlighting its craftsmanship and history. Sold individually, each chair serves as a distinctive accent—perfect for a study, entryway, or as part of a curated seating arrangement, bringing timeless French character and dramatic presence to any interior.
