Description

This antique 1920s Flemish Velvet & Oak Armchair brings timeless European elegance and old-world charm to any interior. Crafted from rich, warm-toned oak, this vintage accent chair features beautifully turned legs, gracefully curved scroll arms, and a tall upholstered back. The plush olive-green velvet upholstery adds depth, texture, and a sense of understated luxury, perfectly complementing the wood's natural patina. Ideal for a traditional living room, refined study, or thoughtfully layered sitting area, this one-of-a-kind Flemish armchair combines antique craftsmanship with sophisticated, enduring style.
