## Description

Add elegant movement and timeless charm to your space with this 1940s French Rococo style mirror, a beautifully crafted piece inspired by 18th century design. Featuring an ornate gilt frame with flowing curves, scrolling details, and a dramatic crest, this mirror captures the romantic essence of Rococo aesthetics. The warm, aged finish enhances its depth and character, while the shapely silhouette makes it a striking focal point above a mantel, console, or vanity. Perfect for both traditional and eclectic interiors, this French mirror brings light, texture, and refined vintage sophistication to any setting.
