Description

Add authentic industrial character to your space with these 19th century French iron weights, a collection of beautifully aged pieces that reflect traditional craftsmanship and utility. Cast from solid iron, each weight features a simple, functional form with a rich patina developed over years of use. Subtle variations in size, shape, and surface detail highlight their individuality and historic appeal. Perfect for display on a shelf, desk, or as part of a curated vignette, these antique French weights bring texture, history, and timeless Old World charm to any interior.
