Description

Add a rare and authentic piece of sporting history to your collection with this 19th century French oak hunting mannequin, a distinctive antique traditionally used as a decoy or display piece in hunting culture. Hand-carved from solid oak, it features a beautifully aged patina that highlights the natural grain and craftsmanship of the period. The sculptural form and timeworn surface give it a strong decorative presence, making it ideal for styling in a lodge, study, or rustic interior. Perfect for collectors of sporting antiques and European decor, this French hunting mannequin brings character, heritage, and timeless Old World charm to any space.
