Description

Add rustic French character to your space with this 19th century French wooden small keg, a beautifully aged piece rooted in traditional craftsmanship. Constructed from solid wood with original metal banding, it features a richly timeworn patina that highlights the texture and history of the material. The compact form and classic barrel shape reflect its original use in storage and transport, while its aged surface adds authenticity and charm. Perfect for use as a decorative accent, side table, or part of a curated vignette, this French keg brings warmth, texture, and timeless Old World appeal to any interior.
