Description

This 19th Century Venetian Glass Mirror is an exquisite antique that showcases the artistry and refinement of traditional Venetian craftsmanship. Composed of delicately cut and etched glass elements, the mirror features an ornate silhouette and luminous surface that reflect light with exceptional elegance. Its intricate detailing and graceful proportions make it a striking focal point for entryways, bedrooms, or formal living spaces. Rich in history and decorative appeal, this Venetian mirror brings Old World glamour, depth, and timeless sophistication to traditional and curated interiors.
