Description

The Alexander Chair offers a refined balance of tailored structure and everyday comfort, designed to elevate both formal and relaxed living spaces. Its clean lines, gently sloped arms, and supportive back create a timeless silhouette that feels both substantial and inviting. Upholstered in a thoughtfully selected performance fabric with a soft, textural weave, the chair brings depth and versatility to a range of interiors while maintaining durability for daily use. Whether styled as a standalone accent or paired within a seating arrangement, the Alexander Chair delivers understated sophistication with lasting appeal.
