Description

The Fallon Chair blends timeless tailoring with modern comfort, offering a refined accent piece suited for both classic and contemporary interiors. Upholstered in the elegant Globe Flower Sand fabric, this chair features a subtle botanical-inspired pattern that adds texture and visual interest while maintaining a soft, neutral palette. Its gently flared wingback silhouette, tailored arms, and clean lines create a sophisticated profile that feels both inviting and architectural. A Sensational Natural contrast welt provides a crisp finishing detail that highlights the chair's craftsmanship and tailored form. Designed for comfort as well as style, the Fallon Chair makes an ideal addition to living rooms, reading corners, bedrooms, or sitting areas where elevated upholstery and timeless design are desired.
