Wood, Glass

Description

The Gold Louis Phillippe Mirror brings timeless European elegance to any interior. Framed in hand-finished wood with an antiqued gold leaf finish, its softly rounded silhouette reflects the classic Louis Phillippe style while maintaining a clean, versatile presence. The generous scale and subtle detailing make it a striking focal point above a mantel, console, or vanity, while the warm gilded frame adds depth and light to the room. Both decorative and functional, this mirror offers a refined way to elevate entryways, living spaces, and bedrooms alike.
