Description

The Haley Swivel Chair by Little House, Christopher Collection's private label, offers a refined balance of comfort, versatility, and tailored design. Defined by its clean lines and softly structured silhouette, this chair features a smooth swivel base that allows for effortless movement while maintaining a composed, elevated presence. Upholstered in a thoughtfully selected fabric with a subtle texture and neutral tone, it brings warmth and dimension to a variety of interiors. Designed for both style and function, the Haley Swivel Chair is a timeless accent piece—perfect for living rooms, reading corners, or layered seating arrangements where comfort and sophistication are equally essential.
