Description

The Hard Hat Mini Lamp is a sleek, cordless lighting solution that blends sculptural design with modern convenience. Finished in a warm light antique brass, its slender stem supports a smooth dome-shaped shade, anchored by a richly veined Michelangelo marble base that adds depth and natural character. Designed for versatility, this rechargeable lamp features a discreet dimmer switch in the base, making it ideal as a night light, accent lamp, or stylish solution for spaces without accessible outlets. The USB charging base not only powers the lamp but can also recharge devices, offering functional luxury in a compact, sophisticated silhouette.
