## Description

The Siena End Table is a striking blend of sculptural simplicity and refined contrast, designed to make a subtle yet powerful statement in any space. A slender bronze-finished aluminum base rises in a graceful tapered form to support a smooth white tabletop, creating a sophisticated balance of warmth and light. Its clean, architectural silhouette allows it to transition effortlessly between contemporary, modern, and transitional interiors. Perfect as a sofa-side accent, bedside table, or pedestal for lighting and decorative objects, this versatile end table delivers both durability and elevated style. With its timeless materials and bold proportions, the Siena End Table adds polished character and functional elegance to living rooms, bedrooms, and curated hospitality settings alike.
