## Description

The Wallace Leather Sofa combines generous proportions with classic, tailored comfort. Upholstered in rich, supple leather, its clean-lined silhouette is softened by gently curved arms and deep, inviting cushions. A plush seat cushion paired with fiber-filled back cushions offers a relaxed yet supportive sit, making it ideal for everyday lounging or entertaining. Thoughtfully scaled and designed to anchor a living space, this leather sofa brings warmth, durability, and enduring style to both traditional and modern interiors.
