Description

Discover this exceptional wooden staircase, a true masterpiece of design where each step ingeniously conceals storage space beneath, seamlessly marrying practicality with sophistication. Originating from Italy circa 1700, this remarkable staircase is a testament to the enduring craftsmanship and innovative spirit of its time. Every detail, from the carefully selected wood to the precision of its construction, reflects the timeless elegance and functional ingenuity characteristic of Italian artistry during this period. This staircase not only serves as a functional element within a home but also stands as a historical artifact, embodying the rich tradition and aesthetic sensibilities of 18th-century Italian design.
