## Description

The 1960s French Onyx Ice Bucket is a striking example of mid-century sophistication and luxury. Crafted from richly veined onyx, this ice bucket showcases the natural beauty and unique patterns of the stone, each piece boasting its own distinct character. The smooth, polished surface exudes elegance, while the sturdy construction ensures functionality and durability. Designed with a sleek silhouette and often complemented by metallic accents, this ice bucket embodies the chic and modern aesthetic of the 1960s. Perfect for entertaining, it adds a touch of glamour to any gathering, serving as both a practical accessory and a statement piece that highlights the refined taste and innovative design of the era.
